

Westfield Risk Control

Practical Solutions to Help Prevent Losses and Strengthen Your Business

Take a proactive approach to workplace safety and risk management with resources and support from Westfield Risk Control.

CORE SOLUTIONS

Safety Evaluations: Help identify workplace hazards, ergonomic concerns, liability exposures, and opportunities to improve day-to-day operations.

Loss Insights and Risk Roadmaps: Analyze loss trends to help uncover your key loss drivers and create tailored risk management roadmaps.

Training and Safety Resources: Provide access to employee training materials, safety programs, forms, templates, and compliance resources.

Driver and Fleet Safety Programs: Promote safer driving habits through fleet safety resources, training materials, and driver-focused best practices.

Fire Protection and Sprinkler Assessments: Evaluate fire prevention practices and sprinkler systems to help identify maintenance needs and potential risks.

Business Continuity Planning: Help prepare your business for operational disruptions with continuity planning resources and recovery strategies.

ADVANCED SERVICES

Infrared Thermographic Imaging: Help detect heat-related equipment issues before they lead to failures or downtime.

Westfield Video Library: Explore on-demand training videos that help reinforce workplace safety, driver awareness, and regulatory compliance.

Fluid Analysis Services: Analyze equipment fluids to help detect developing mechanical or electrical issues.

Water Leak Sensors: Help monitor for signs of leaks and frozen pipes before water damage occurs.

Westfield Risk Control Insights: Gain access to training resources, compliance tools, and forms — all in one convenient platform.

READY TO TAKE THE NEXT STEP?

Whether you're looking to improve workplace safety, prepare for disruptions, or better understand your risks, Westfield Risk Control offers a range of resources and services to help.
